

## **Janet Peace**

Bluesource

Chief of Advisory Services

As a long-time environmental advocate, Dr. Peace brings a wide spectrum of experience and passion to environmental policy career. As part of the executive management team at Bluesource LLC, she provides strategic advice to companies, NGOs and policy makers on options for reducing greenhouse gas emissions. Prior to Bluesource, she was part of the leadership team at the Pew Center on Global Climate Change and helped launch its successor, the Center on Climate and Energy Solutions. Prior to Pew, she was the Director of Policy and Industry Relations, at the not for profit, C3 in Calgary, Alberta and an Adjunct Professor of Economics at the University of Calgary, where she taught natural resource and environmental economics. Janet holds a Ph.D. and Master of Science in economics and an undergraduate degree in geology.
