Jeff Gitterman is a widely recognized leader in the ESG and sustainable investing field, and the creator of SMART (**S**ustainability **M**etrics **A**ppplied to **R**isk **T**olerance)® Investing Solutions, a suite of global climate-aware allocation strategies available to financial advisory firms and individual investors.

With over 30 years of experience as a financial advisor, Jeff began realigning [Gitterman Wealth Management](#) towards sustainable investing in 2015. In 2020, the firm launched the [Gitterman Asset Management](#) brand to house its rapidly expanding ESG investment strategies, thought leadership, and practice management offerings for the financial advisor and institutional markets.

Jeff is also the co-host of [TheIMPACT TV show](#), which airs on [fintech.tv](#) and Bloomberg TV. Noted as an “ESG expert” by *Financial Advisor* magazine, Jeff has also been featured in the past in *Barron’s*, *Forbes*, *The Wall Street Journal*, *Morningstar Magazine*, *Financial Advisor Magazine*, *Money Magazine*, and *CNN*, among many others. He also speaks frequently about Sustainable, Impact, and ESG Investing at conferences throughout the US, including *Morningstar*, *Fidelity*, *Barron’s*, *Bloomberg*, and many others. In 2018, he was named RIA “Thought Leader of the Year” by [WealthManagement.com](#).

Over the past several years, Gitterman Wealth Management has also hosted several large sustainable investing conferences for financial advisors in New York City, with the [2019](#) and 2018 conferences, as well as the 2019 Family Office Impact Summit taking place at the United Nations Headquarters. Jeff deeply believes that the migration of investor capital towards Sustainable, ESG, and Impact investing is one of, if not the most effective way to help realize the United Nations supported Sustainable Development Goals (SDGs), and he is committed to helping both investors and other financial professionals navigate this rapidly growing landscape.

Jeff is also the author of [Beyond Success: Redefining the Meaning of Prosperity](#), and an Associate Producer of the feature documentary film, [Planetary](#). He also serves on the Board of Directors for the Child Health Institute of New Jersey at Rutgers Robert Wood Johnson Medical and dedicates much of his free time to raising funds and awareness for the autism community.
